# HERE'S WHAT WE MEAN

## Mastercard, Grammy Awards 2018

### The Ask

With the 60th Annual Grammy Awards set to return to NYC, Mastercard created an interactive music experience leading up to the awards and needed a partner to help program the content.

### Our Answer

Our partnership centered around "Start Something *Priceless*" Radio," a human hosted station filled with past + present Grammy artists, live DJ cut-ins, and native Mastercard messaging. TuneIn also recruited GRAMMY winning Portugal. The Man & show-opener Francis and the Lights to perform private shows at the Mastercard House, all streamed live across the TuneIn app. Link to video sizzle reel — [here](#)

## Red Bull Radio

### The Ask

Red Bull asked TuneIn to become the exclusive distribution partner for Red Bull Radio, a live 24/7 world-traveling station of music workshops and festivals accompanied by a coinciding streaming platform entitled Red Bull Music Academy Radio.

### Our Answer

We took the station's listening to a whole new level, driving millions of new fans to help establish Red Bull as a music and cultural tastemaker. TuneIn developed a global distribution strategy that combined native in-app editorial placements, high impact takeovers, live event streams, social media, co-branded marketing, and efficient tactical media. Red Bull Radio quickly became TuneIn's most listened to branded station in history.

## Gildan & Outside Lands

### The Ask

Coming off of a brand positioning reset, Gildan was looking for help building brand recognition and trust amongst their Millennial target by aligning with music content.

### Our Answer

TuneIn leveraged our partnership with Outside Lands Music Festival in SF, one of the most popular music festivals in the country, to build a custom, human hosted, always on streaming radio station. The station was programmed with music and original content from past & present Outside Lands artists. We also produced 'The Road to Outside Lands' - a 5-episode custom podcast series that centered around two Outside Lands artists and how they stay comfortable when on the road.
